

'round town

with Betty Allen...

In case you are still wondering about that news story on the front page last week I'll put you out of your misery. Beverly Leech was struck by a bus. Sorry to leave you in suspense.

The Methodist Church bazaar was a great success and many were the "ohs" and "ahs" over both the decorations and the clever handiwork on display. Tables were decorated to resemble Christmas packages with gay paper and huge red bows. The giant Christmas tree was really beautiful as were the Christmas windows done by the art class at the high school. A red and green color scheme made the tea room delightfully Christmasy.

Perley Payne was in the Press office with some of his prize walnuts and it was good to see him about again after his long illness.

From the Post Office comes the suggestion that some organization in town could undertake the renumbering of the houses to be served by mail delivery. It would greatly facilitate the new service.

And speaking of the Post Office—as soon as the new building is completed several shifts in Campbell businesses are expected and it's the subject of much speculation. One will move into the store adjacent to the new Post Office, another into the space vacated by that business, still another into the old Post Office building, and so on.

Our three cats are in disgrace... we have another addition to the household: a very small mouse who scuddles about while the cats look on without so much as twitching a whisker. Guess mice-catching is not in their contracts.

Have you heard: the Christmas music emanating from Clark's Drugs... that Dudley Herchbach is the proud possessor of a new portable typewriter in honor of his new status as an Eagle Scout... that Lloyd (Sporting Goods) Nelson is a member of the Richards Club of San Jose which presented a concert Monday evening... that Dick Gouley, a popular student at Campbell High School who has supported himself since coming here from Wisconsin at the age of 14, was elected captain of the high school football team... that Kay (Campbell Products) La Rae had to go clear in to San Jose to have her car hit by a Campbell man?

A news item tells of the fact that, in spite of efforts to induce fruit workers to accept jobs outside their trade, approximately 900 cannery workers in the area are drawing unemployment insurance benefits. I like the attitude of one woman of whom I heard—she stated that she worked in the cannery for extra money, did not need to work all the time and refused to take money during the rest of the year which she had not earned and felt she was not entitled to receive.

This has been a good week for letters... had one from Wesley Green, son of Mr. and Mrs. George Green of Casey Road. He says he is attending Georgia Tech and feels certain that St. Mary's will take a licking in the Oil Bowl game on New Year's Day. His wife is a Georgia girl who has never seen the wonders of California and the Santa Clara Valley in particular, which he hopes to show her soon. His new address is Box 839, Georgia Tech, Atlanta, Ga., in case his many friends want to write.

And another sparkling letter from Vivian Becker giving more of the low-down on life in Guatemala. Due to the shipping strike she and Paul are now reading October copies of the Press! More than 7,000 bags of mail recently arrived however so they'll be catching up with the latest news soon. They are enjoying their new home which has a large patio

Lightweight Basketball Teams End Season

By DAVE WOODS

On Nov. 1st the Campbell 110 and 120 exponent basketball teams, ably coached by Robert Robinson, completed their first season in five years with a duo loss to Fremont. The 10s dropped their tilt, 19 to 4, while the Fremont 20s won, 33-19. Dave DeVilbus paced the 20s with 9. This performance gave the 10s a season record of 4 wins and 5 losses, while the 20s could collect only 2 wins in 9 tries. These records may not be impressive, but the teams have practiced hard and have gained valuable experience.

The season opened with Lincoln eking out a double victory over the locals, 12-11, in the 10s, and 19-17 in the 20s. Jim Loveday scored 6 for the 10s and DeVilbus dropped in 8 for the 20s. A journey to Burlingame brought no more success as the 10s bowed, 28 to 18, and the 20s lost out, 32 to 28. Once again the games were hard fought. Dan Estrada led the 10s with 5, while Williamson and Lobrovich each scored 6 for the 20s. Returning home to face Lincoln again the cagers found themselves winless once more, 24 to 19 in the opener and 34 to 21 in the 20s encounter. Estrada and Loveday each swished 6 for the 10s and Captain Bob Williamson chalked up 9 for the larger boys. In the next game the 10s, led by Estrada with 5, whipped Washington, 16-14, in a league battle. Then, to show they could win also, the 20s scored a 26 to 19 triumph as Williamson bracketed 9.

The fast improving teams next swamped Live Oak, 28 to 5, in the 10s and 25 to 18 in the 20s. The scores could have been much larger, but the reserves were given a chance to play. Again Estrada paced the 10s with 8, while Williamson dropped in 14 for the 20s. Next the 10s, after being held scoreless in the first half, scored 11 in the second half, but still lost to Santa Clara, 22 to 11. Here Keesling led with 4. The 20s fared no better, being on the short end of a 29-17 count. Again Williamson led with 9. Playing against San Jose High's reserves the 10s managed to score a 21 to 1 triumph as Keesling scored 7. But even the reserves proved too much for the 20s and they bowed, 33 to 20, although Williamson rang up 11. Winning their third league game the 10s took the measure of a weak Los Gatos team, 28-14. Here once more the score could have been larger had the best men remained in the game. The 20s, dropping their second straight league tilt, lost out, 32-17. DeVilbus scored 5. The last game of the season, with Fremont, have been mentioned.

Death Takes Campbell Resident

Although she had been ill for several years Campbell friends were shocked by the sudden death of Mrs. Tom Shaves Sunday evening. She was able to be up and about recently and had visited friends when she suddenly became ill and was taken to a San Jose hospital where she died that evening.

The Shaves have been Campbell residents for seventeen years and have become well known in the community. For many years Shaves has operated Court's Tavern on the San Jose-Los Gatos Road. The family home is on Fourth St.

Mrs. Shaves was born in Rocklin, Calif., and she and her family lived for many years in Auburn before coming to Campbell.

She leaves her husband, Tom; four daughters, Mrs. Barbara Humphrey of Abilene, Tex., Mrs. Thais Conroy of San Francisco, Mrs. Lorraine Gerin of San Carlos, Ariz.; a son, Merle Shaves of Campbell; a sister, Mrs. Anna Bachman of Campbell; and three grandsons, Tommy Gerin, Merlyn Shaves and Monte Wilson.

Private funeral services were held yesterday morning at the Rutherford Funeral Home followed by a requiem mass at St. Martin's Church in Burbank, with interment at the Santa Clara Catholic Cemetery. A rosary was recited Tuesday evening at the funeral home.

Final Rites Held For Arthur Page

Funeral services for Arthur Page will be conducted Friday at 2:00 p. m. at the Rutherford Funeral home. The Rev. Robert Carlson of the Congregational Church will officiate.

Page, who was 70 at the time of his death, died of a heart attack Tuesday morning at his home on the corner of Winchester and Latimer.

He was born in Iowa, but for many years was a rancher in Hood River, Oregon. He retired and came to Campbell five years ago.

Surviving him are his wife, Laura E. Page; a son, Bernard D. Page of Yakima, Wash.; three brothers, Adelbert W. Page of Campbell, Everett A. Page of San Jose; Alfred W. Page of Escondido; and two sisters, Grace E. Page and Mrs. Ethel Dano, both of Campbell. He also leaves a granddaughter, Peggy Page.

Campbell Girl's Picture Wins Honorable Mention

Pauline Cleveland is a 12-year-old with an impish gleam in her eye and pixie ideas that match her pixie face. One August day she and a friend were in Hart's Department Store in San Jose and noticed that a children's photograph contest was under way. On the spur of the moment Pauline had her picture taken.

So did thousands of other children in more than 200 cities in the United States during the months of August and September. The judges were no doubt in quite a dilemma in selecting the winners but after seeing Pauline's picture it is easy to understand why her's was given honorable mention.

In her picture, which Hart's intend to use for display purposes, Pauline wears her hair braided in coronet fashion on top of her head and the dignity of the coiffure quite belies the delightful grin with which she faces the camera.

She is the daughter of Mr. and Mrs. S. L. Cleveland of 61 Rincon Ave., and is in the 8th grade of the Campbell Grammar School.

Jack Murdock To Leave Water Co.

One of the best known men in Campbell will no longer exchange his pleasant banter with the Water Co. customers every day, for, after 14 years as secretary of the Water Company, Jack Murdock is leaving.

He has accepted a position with Tay-Holbrook, Inc., wholesale distributors of plumbing supplies. Murdock will be connected with the San Jose office of the firm.

As soon as Murdock is replaced he will take up his new duties. He says that, of course, he and his family will continue to live in Campbell and will move into their new home on N. First St. soon.

FIRE DISTRICT PETITION MADE

Attorney Martin S. Walsh recently checked and filed with the County Surveyor the petition of the fire commissioners to add Rosemary Lane, Latimer and Bland Avenues to the present fire district. All property values in the added territory were checked at the Assessor's office and certified to by Mr. Walsh who then filed the petition. This was the last petition to be filed and with the six petitions previously filed makes the Campbell Fire District a large unit in the community.

Baby Smothers In Crib

Tragedy struck at the home of Mr. and Mrs. R. E. Spotts, 191 Latimer Ave., early Sunday morning when they found their five-months-old daughter, Penelope Sue, smothered in the blankets of her crib. The baby had been changed from a bassinet to a crib the preceding night.

When the parents discovered her in the morning Deputy Sheriffs Fred Goudy and Francis Gilleran were called and gave artificial respiration with the aid of a resuscitator. After an hour and twenty minutes of respiration, the baby was finally pronounced dead by a local doctor.

Funeral services were held at the Rutherford Funeral Home yesterday afternoon. Interment was at the Santa Clara City Cemetery.

In addition to her parents, the small baby is survived by two sisters and a brother, Shirley Ann, Kenneth and Maryellen; her grandparents, Mr. and Mrs. E. C. Wehnt of San Jose, and Mr. and Mrs. E. A. Spotts of Portland, Oregon; and an uncle and three aunts, Paul, Doyle and Grace Wehnt of San Jose, and Mrs. Jean Hunter of Campbell.

900 FRUIT WORKERS GET JOBLESS PAY

Approximately 900 San Jose area cannery workers were drawing State unemployment insurance benefits last week, but Francis W. Bridges, unemployment insurance manager, said efforts were being made constantly to induce workers to accept jobs outside their own trade.

Cannery workers are often disqualified from receiving unemployment insurance benefits when they refuse to accept other "suitable" work, said Bridges. Bridges described the number of cannery workers who do accept other type employment as "a pretty fair percentage".

"Efforts to place workers on suitable jobs other than their own lines has always been a policy of this office," Bridges added. He said such a policy had been a big help in reducing unemployment insurance payments.

Campbell High School A Capella Choir Sings At Festival

Members of the a cappella choir of the Campbell Union High School who participated in the annual choir festival at the Civic Auditorium in San Jose last Friday evening. A cappella choirs from nine Northern California high schools took part in the program for which Dr. Ray Freeburg of San Francisco State College was guest conductor. Miss J. Guard of the San Jose High School faculty was director of the festival, assisted by Frank Triena of Campbell High School. The Campbell choir, with 60 voices, is the largest in several years. Three special selections sung by the group were "I Hear Along Our Street", "O Domine Jesu Christe" and "Hallelujah Amen".

On page 1 are listed some of the men and women who are running for the elective offices to be voted upon at the incorporation election. Since the filing time is not closed until Saturday more names may appear on the ballot than are yet indicated.

The men who are willing to assume these offices warrant all our respect and gratitude for theirs' will be the hard task. After the city government is established the running of it will be comparatively simple, but no one doubts that its beginnings will see many problems and much work.

Let's reward these men for their willingness to assume responsibility for the good of the whole by making a resolution, here and now, to be sparing of our criticism and generous with our praise when their work begins.

MORE DUPLICATION

WASHINGTON—President Truman is a sincere, hard-plugging advocate of unified armed services, but he should persuade his army to obey the policy of its commander-in-chief.

At present the army is building a special wing to Walter Reed hospital at 12th and Dahlia streets in Washington which will exactly duplicate the navy's.

This wing is to take care of the President of the United States.

Simultaneously, the navy also has a floor of its Bethesda Naval hospital reserved for the President. It is all set to take care of him at any time. However, medical officers have changed in the White House and a navy doctor isn't in command any more. The army now runs the show.

Roosevelt, always partial to the navy, appointed Adm. Ross McIntire White House physician. But Truman, who served in the army, selected Brig. Gen. Wallace Graham as White House physician.

And of course an army doctor does not like to practice in a naval hospital. Therefore the army medical corps, wanting to avoid the humiliate of sending the President to a naval hospital, authorized a new wing to the Walter Reed Army hospital. Thus, at the expense of thousands of feet of scarce lumber, tons of strategic metal and several thousand bricks, the special wing for the President is being built.

U.S. VS. U.S.S.R. DEMOCRACY

Secretary of State Jimmy Byrnes has been telling the following story about the difference between democracy in Russia and the United States. "An American soldier," he relates, "was talking to a Russian soldier in Berlin. The American said that in his country, he could go to Washington without a permit, go to the White House, wait his turn, get in to see the President and tell him that he doesn't like American foreign policy. 'That's democracy,' the G. I."

"That's nothing," the Russian soldier replied. "In my country I can go to Moscow, knock on the door of the Kremlin, walk in, wait my turn, see Stalin, bang on the desk and say, 'Mr. Stalin, I don't like Truman's foreign policy either!' And nothing would happen to me. That's real democracy."

SUPPRESSED REPORT

While President Truman and other high government officials continue their enthusiastic support of the new Philippines government of President Roxas, there remain locked in the files of the White House and Attorney Gen. Tom Clark two copies of a report which, if made public, has explosive power nearly as great as that of the suppressed Rogge report.

The Philippine report was written by a special investigator sent to Manila last winter to determine what action should be taken against islanders who had collaborated with Jap occupation authorities. Inside fact is it pins guilt on nearly all the leaders of the present Philippine administration. Documentary evidence of collaborationist records of a large part of the present senate, cabinet and President Roxas himself is included.

The charges include such criminal acts as aiding the Japs to wipe out patriot guerrillas, conspiring to seize food from famished Filipinos for use by the Jap armies, in addition to the declaration of war against the United States in 1944.

Although the vast majority of the Filipinos hated and resisted the Japs, corruption spread through the top layers of political and industrial leaders. Result was that the justice department investigators recommended that the most important collaborationist clique be tried not in the Philippines, where it would be difficult to find a native court completely free of bias, but in San Francisco.

Reason this recommendation was never acted upon, officials say, was largely Gen. Douglas MacArthur.

UNDER THE DOME

Speaker Sam Rayburn doesn't want the job of minority leader.

Southern congressmen are not enthusiastic over continuing the leadership of Massachusetts'

John McCormack, and they have the votes to put him in or out. ... One fixture in the capital regardless of political turnover will be the rev. James Snera Montgomery, the house chaplain. Appointed by the republicans in 1921, he was continued by the Democrats.

MERRY GO ROUND

All cabinet members are strengthening their legal staffs, knowing they face the most exhaustive series of congressional investigations in the last 20 years.

Retiring Speaker Sam Rayburn tell friends that he will serve in the House only one more term. Sam has been a congressional fixture for 35 years, now want to retire. ... Nine members of the new Senate are former newspaper men and publishers; three are former teachers. Sixty-four senators are lawyers, the largest group.

NATURAL GAS VS. LEWIS

WASHINGTON — It has now been more than a year since it was suggested in this column that the only way to counteract John L. Lewis was to convert our two war-built, government-owned pipelines to natural gas. In the interim not a single move toward conversion has been made.

In the interim also millions of cubic feet of Texas and Louisiana natural gas have gone up in smoke and will never be recovered. Most people don't realize that this is one of our most valuable natural resources. Nevertheless, much of it is burned up in Texas as waste gas or allowed to escape. At some Texas oil wells a constant blaze is kept going, night and day, in order to burn off surplus gas.

Reason for the government's failure to convert the Big Inch and Little Inch pipelines to gas is not entirely red tape, nor the secret opposition of John L. Lewis. Vigorously pulling wires to keep the pipelines away from natural gas are the railroads and the coal operators. They are Lewis' secret allies.

Illustrative of this wire-pulling is a natural gas pipeline only 10 miles from Washington, D. C., which brings gas from West Virginia. Originally the pipeline was constructed to feed the nation's capital, but the coal industry and the railroads blocked the entrance of natural gas into Washington. They were bringing in coal which the gas company then converted into expensive natural gas.

So for 10 years West Virginia natural gas flowed to within sight of the nation's capital but was never permitted to come into the city. Only during the war was this finally changed. Now the West Virginia pipeline has been tapped and Washington, at long last, is using cheap natural gas.

Most amusing sight on the merry-go-round scene today is the frantic scramble of the socialites, the lobbyists and the local power politicians to get religion in a hurry. In this case, religion is better known as the GOP. After 14 years of Democratic rule, the Republicans were so far down the social list they almost developed an inferiority complex. But now they are staging a grand comeback. Invitations to once-scorned Republican senators and congressmen have doubled and tripled, as hostesses bid for the newly won prestige of GOP solons.

SCAN LABOR HORIZON

One veteran senator and one newcomer are destined to play leading roles in GOP labor relations in the next Congress. The veteran is aggressive, square-jawed Senator Owen Brewster of Maine. The newcomer is Senator Irving M. Ives, scholarly, 50-year-old New York Republican, who had an impressive labor record in the New York State assembly and at Cornell University.

It was Ives who fathered the bi-partisan committee on labor legislation in the New York Legislature, and steps now are being taken privately to set up a similar committee in Congress.

Chief behind-the-scenes plugger for this plan is Brewster. Already he has had some confidential chats with labor spokesmen, has warned that unless they play ball, drastic legislation scuttling the Wagner act is sure to be enacted.

Brewster's idea is to negotiate a covenant for labor peace between Congress and labor, which could, if successful, obviate the need of rough, legislative crackdowns. Such a peace pact might take the form of a strike moratorium or an agreement to arbitrate major disputes.

Come what may, some labor curbs, including the revision of the

CAMPBELL HIGH HOST TO NOVICE WRESTLING TEAM

Campbell High School gymnasium will be the scene of the South Bay Wrestling League Novice Tournament on Saturday. Fremont, Salinas, San Jose, San Jose Tech, Santa Clara and Campbell high schools will be represented. This tournament is for all wrestlers that have not won a place in previous tournaments. There will be nearly 100 boys competing from the six schools. The boys will weigh in at 10 a. m., and the wrestling will start at 1 p. m., with two matches running at one time throughout the afternoon.

Campbell High has resumed wrestling after a lay-off of three years. Twenty boys turned out for the sport last week and have progressed quite rapidly in the last week. They will participate in duals meets with the above schools and also will enter two more tournaments next month.

Wrestling is a comparatively new sport for high schools in this area but should prove quite interesting for local fans.

Wagner act, seem certain to be voted, but Brewster believes these curbs can be tempered in direct proportion to labor's ability to control its own mavericks.

For some strange reason, Secretary of State Byrnes has become awfully jittery about having a Senate committee probe what's going on in Germany. He is putting all sorts of obstacles in the path of the old Truman committee's investigation of the reported breakdown of American morale in Germany and the secret flirtation of some United States business firms with Nazi cartels. Several members of the committee, now the Kilgore committee, flew up to New York for a session with Byrnes regarding this, but he remained adamant.

Grammar School Notes

THIRD GRADE MAKES MAPS

Mrs. Kamrar's home room is making maps of South America. They are very good for third graders. The class is learning to write sentences about what they are studying. They are also learning how to count money.

—Charles Gibbins, Low 8-3.

ENGLISH CLASSES STUDY LETTER WRITING

Mrs. Stuart's three English classes are studying a unit on letter writing. Each child is going to choose a pen pal from another country and write a letter to him. It will be fun getting letters from other countries telling all about themselves.

—Paul Carney, Low 8-3.

FIRST GRADE REPORT

Mrs. McDearmid's first grade made Thanksgiving pictures, wrote little stories, and acted them out. They have finished their first primer. They are studying colors and can recognize them all. The children have finished the alphabet. In their numbers they have gone to number eight.

—Pat Williams, Low 8-3.

STUDY OF MEXICO IS INTERESTING

Last Friday Miss Blaine's class were modeling animals out of clay. Her class has been studying Mexico and are having a unit on Mexico. If they come out all right they will paint them with bright colors like the gay togs the Mexican children buy at the market places. They were studying about Mexican glass making. They have some turquoise glasses and blue pitchers in their room. Ronda Benson brought a beautiful sarape and a Mexican five centavo to show the class. Miss Blaine says the more the children study Mex-

ico the more interested they become.

—Jesse Perez, Low 8th.

SEVENTH GRADE STUDIES

Mr. Roll's class is now drawing masks and are coloring them, using their own ideas about their colors. In arithmetic they are studying decimals. In history they are studying about the Revolutionary War, which they find very interesting. There are 41 in Mr. Roll's class. Their room is on the stage.

—Bobby Brand, Low 8-3.

KINDERGARTEN NEWS

The kindergarten of Campbell Union Grammar School is now getting ready for the Christmas season. The children are making their own decorations. Colored paper, paste, scissors, crayons, clay and pencils help these four and a half and five year old youngsters to get into the Christmas spirit with the rest of the school. Miss Barzone and Miss Boos, the two teachers, help the children. They sing songs and play games for Christmas.

There are so many children old enough to go to kindergarten, that they hold an afternoon class as well as a morning one. The morning class goes from 9 o'clock to 11:30. The afternoon class is held from 12:30 to 2:30. The kindergarten has recess just like the rest of the school. Both groups have rest periods.

The children all like to come to school and learn to be grown up people. These children are having fun in school with their classmates and will continue to have a good time with these children most of their school lives. With the help of the teachers they all get to know what the world is all about.

—Barbara Enochs, Low 8-3.

Campbell Court Notes

By JUDGE BLAINE

Recently the writer of these notes suggested to our editor that the heading of this column be changed to Court Class. Turning up her cute nose our editor rejoined, "People don't like to be educated."

For that wisdom this writer was so enthusiastic that he burst forth with emphatic compliments, and was accused of apple polishing.

What, then, is wrong with education to such a degree that one can't term a thing a class without negative connotation, or pay a compliment without being accused of insincerity, such as students use on teachers? The answer offered here is, Compulsion. People, and especially American people, don't like compulsion. And American education is little but.

The foregoing leads in a round about way to perhaps some understanding of delinquency. Compulsion and musts grow by leaps and bounds with every session of every State Legislature; and delinquency, both juvenile and adult, appears to grow in proportion. It seems to occur to almost nobody that the last is some natural reaction to the first.

The spirit of American freedom must be preserved somehow. And if we can't preserve it in any other way we'll preserve it with delinquency—lamenting this delinquency, of course, for sake of appearances.

Take, in point, enforcement of traffic laws. Such laws multiply, and to demand their enforcement is a national style. But on the other hand California traffic officers must not set traps, nor shall they make arrests unless clothed in conspicuous uniforms and transported in or on conspicuous vehicles. In other words, the breaks are all given to the delinquents. One marvels that our traffic officers are able to make any arrests at all.

But one nevertheless demands that traffic officers arrest—the other fellow, and that judges make the other fellow a scapegoat. The American movie hero, of course, is the delinquent who got away. He might have been us!

So let's not be discouraged. Under the circumstances it all makes sense, and American spirit of independence is somehow preserved.

There are snakes in the South Pacific area that can stand upright.

Co-billed next Sunday, Monday and Tuesday at the Campbell Theater with the now famous "Canyon Passage" is a gay little comedy by the name of "Cuban Pete". Those liking melodies, fast, modern and in Latin American vein, will find an abundance of them, handled expertly by Desi Arnaz and band, the King Sisters and Ethel Smith.

The story concerns the attempt of an advertising executive to lure a Cuban band on to an American radio program. Not able to clinch the deal by telephone, the executive, Don Porter, sends his assistant, Joan Fulton, down to Cuba to turn her persuasive charms on Mr. Arnaz. Miss Fulton, being an attractive woman, Mr. Arnaz decides to come to the States to broadcast. Further complications develop, however, when the adde-brained sponsor of the program decides to get her squeaking voice in on the program as a vocalist. The course becomes rocky, but romance between Miss Fulton and Arnaz paved the way to a successful radio debut.

Jean Yarbrough directed with Howard Welsh as executive producer and Will Cowan, associate producer.

HOUSEHOLD MEMOS... by Lynn Chambers

While talking to a young bride recently, she expressed a desire to learn how to entertain nicely, but simply, because, as she expressed it, "I don't know much about cooking, but I do so want things to taste and look wonderful."

Well, that's a problem all of us might give some thought to, every now and then. It's a good idea to have some menus all filed away that we can rely on as being successful both from the standpoint of being good to eat and looking attractive.

In case you're in a sort of a rut about entertaining because of the past several years' food difficulties, take yourself in hand and look over the suggestions today. I'm all for simplicity in entertaining, especially if cooking and serving doesn't come to one as easily as it seems to others. In that case, plan a simple menu, but carry it out well, and you'll really get bouquets to go with it.

Before company comes, and even before you start getting the dinner itself, have the house, linens, tableware and cooking equipment in order. Once this big worry is out of mind, then you can concentrate on the cooking itself. Do everything you possibly can ahead of time, so too much won't be left for the last minute.

Make out a schedule of when things should go in the oven or when they should be put on the range. Be sure this is worked out in advance, so you won't be worried that things will not all be ready at the same time.

I'm going to give simple but festive recipes today because they will be easy for the novice to prepare, but just wait until you see how they look on the table. UMM!

Start off with a minced fruit juice, as this is refreshing and will not take cooking. Chill citrus fruit juice before serving — pineapple or orange juice is a good combination — and pour into dainty glasses. Add a few crushed mint leaves to each glass. Serve.

Everyone is bound to like lamb chops and here's a grand way to prepare those chops so they look like a roast:

Mock Crown Roast of Lamb
(Serves 6)
6 frenched lamb chops
Melted butter or substitute
Salt and pepper

Have the butcher french the lamb chops. Place them under moderate broiler heat and broil 5 to 10 minutes on each side until they are well browned. Baste with melted butter as they brown. Sprinkle with salt and pepper just before removing from the broiler. Just before serving, pile a mound of fluffy mashed potatoes in the center of a platter. Stand the lamb chops around the mound of potatoes, as illustrated, patting them well into the potatoes so they don't fall down. Arrange cooked sliced carrots around the platter for the vegetables. Place paper frills, if desired, around the lamb chops before serving.

LYNN CHAMBER'S MENU

Pot Roast of Beef
with Spiced Prunes
Browned Potatoes
Glazed Carrots
Green Bean-Celery Salad
Muffins

Coconut Custard Pie Beverage
There you have meat, potatoes and vegetables on one platter! Makes for easy serving, doesn't it?

The salad is exceedingly simple to arrange and goes well with the hearty main dish. It may be prepared ahead of time on individual plates and placed in the refrigerator. Arrange three spears of canned, chilled asparagus on lettuce leaves. Lay sliced cucumbers on each side and pour french or thousand island dressing across the center of the asparagus.

If you want to serve attractive and dainty biscuits with the dinner, here's an idea. Use a recipe for baking powder biscuit dough or get one of the good packaged mixes. Roll the dough out to 1/4-inch thick. Spread with melted butter, sprinkle with cinnamon and nutmeg. Roll as for jelly roll. Cut off one-inch pieces and place them, cut side down, in a baking pan. Bake for 15 to 20 minutes in a hot (400 degree) oven. Serve with jelly or jam, if you wish, or with just plain butter.

A cake is really a simple dessert to have with this type of dinner because it eliminates last minute fluster. Prepare the cake the day before and frost before beginning to cook dinner.

Orange Flower Cake
1 1/2 cups sifted cake flour
1 1/2 teaspoons baking powder
1/4 teaspoon salt
1 teaspoon grated orange rind
1/2 cup shortening
1 cup sugar
2 eggs, unbeaten
1/2 cup orange juice

Sift flour, baking powder and salt together. Add orange rind to shortening and cream together thoroughly. Add sugar to shortening and cream until fluffy. Add eggs, one at a time, beating thoroughly after each addition. Add sifted dry ingredients alternately with orange juice, in small amounts, beating thoroughly after each addition. Pour into greased cake pans and bake in a moderate (350 degree) oven for 30 minutes. This recipe will make two 8-inch layers.

This cake may be frosted with a fluffy boiled icing and sprinkled with orange rind or garnished with orange segments. Whipped cream, if available, may also be used. Or, if you prefer, an orange-flavored butter cream icing may be used with orange segments arranged on top.

Orange Frosting
1 scant cup sugar
1/8 teaspoon salt
Pinch of cream of tartar
1 egg white
3 tablespoons orange and lemon juice, mixed
Beat all ingredients together in top of double boiler until it stands in peaks. Use on top and in between layers of cake.

Wedding Vows Exchanged

A large number of relatives and friends were present last Sunday at St. Martin's Church to witness the exchange of vows in which Stephen Ban took as his bride Miss Celeste Ann Furtado. Father Reali officiated at the afternoon rites.

The bride, who is the daughter of Mr. and Mrs. Joe Furtado, was given in marriage by her father. She wore an exquisite embroidered satin gown with a traditional veil. Her bouquet was made of white and lavender orchids with satin streamers.

Miss Elsie Furtado, sister of the bride, was the only attendant, and wore a blue net gown and cap with which she carried a French bouquet of gardenias and carnations bordered by a blue ribbon.

The bridegroom's brother, Peter Ban, performed the best man's duties, and the ushers were Dan Furtado and E. Stojanovich.

A reception in the church parlors followed the ceremony with dancing for the guests. The bride's mother was dressed in a green suit with brown accessories and wore a corsage of orchids and bouvardia. The mother of the bridegroom chose for the occasion a rust colored suit complimented by a corsage of green orchids.

Out of town guests present for the occasion included Mr. and Mrs. Cliff Knoder of Berkeley and Mr. and Mrs. Peter Musladin of San Francisco.

When the bride left for her honeymoon in Southern California she wore a grey tunic suit with black accessories. Both of the young people are graduates of the Campbell Union High School, and the new Mrs. Ban has been employed in San Jose as a secretary since graduating from Heald's Business College.

The bridegroom is the son of Mr. and Mrs. S. N. Ban and served in the Navy on a carrier for four years before returning to his position with the Continental Can Co.

When the newly married pair return from their wedding trip they will make their home in Sunnyvale.

Eastern Star Installs Officers

Thelma Akers was installed as Matron, and Raymond Martin was seated as Patron.

During the ceremony beautiful solos were rendered by Leda Gregory Jackson, Beverly Parker and Marjorie Martin.

Past Grand Patron John Lewis McDonald, acted as installing organist.

There was a record attendance, and refreshments were served in the dining room, with Ellen Tutt as chairman.

On Dec. 20, the 47 officers will hold their first meeting with the Christmas theme planned.

ENGAGEMENT REVEALED

TO MAKE HOME HERE

If the well-known bugaboo of the housing shortage can be overcome Mr. and Mrs. Theodore Schenk plan on making their home here in Campbell. For the present they are the guests of Mrs. Schenk's parents, Mr. and Mrs. H. B. Whitehouse.

Mr. Schenk has recently been released from the Navy, in which he served as a chief petty officer. During the war he saw overseas service in the Pacific. The Schenks have been making their home in Green Cove Springs, Florida, where Mr. Schenk was last stationed.

Has 88th Birthday

The 88th birthday of Mr. H. G. Schwab, which occurred Dec. 10, was observed this week.

Osborne and little daughter Mary Margaret; Mr. and Mrs. Ralph Schaeffle, Mr. and Mrs. David Rutherford and baby son, Lyle David; Mrs. Meta Rudy of Campbell; Mr. and Mrs. M. A. Carlson of Saratoga; Mr. and Mrs. Luke Warburton, Mr. and Mrs. James Christensen, Mrs. Anna Mae Peterson, and Miss Gladys Hart, all of Santa Clara; Mr. and Mrs. Walter McNear, and Mr. and Mrs. Albert Simmons of Willow Glen; Mrs. Nellie Rutherford, Mrs. Linda Cassingham, Mrs. James Drake and son, James, of San Jose; and Mr. and Mrs. Peter Jorkensen, of Astoria, Oregon.

On Tuesday afternoon a number of Mr. Schwab's friends—men near his own age, who make a yearly birthday visit—called and spent the afternoon with him. They were George A. Whipple and J. Ryan of Campbell; H. N. Hansen of Santa Clara; Wm. W. Wirtz of San Jose; F. D. Aucutt and James Jensen of Willow Glen.

TRIP TO MODESTO

Mr. and Mrs. E. M. Fish spent the Thanksgiving holidays in Modesto.

TRUE WORSHIP

In the gospel of John, chapter 4, verse 24 we have this statement: "God is a Spirit; and they that worship him must worship him in spirit and in truth." From this verse we see that true worship has three requirements: (1) that it be directed to God, (2) that it be in spirit, and, (3) that it be in truth. The idea of worship is found 190 times in the Bible, 113 times in the Old Testament and 77 times in the New Testament.

Through all these passages there runs the idea of expressing respect for or making supplication to same object or person considered higher or greater than the one worshipping. Such respect or supplication is expressed by Christians through the rites instituted in the New Testament for that purpose. In public worship respect for God is expressed by scripturally giving of our means (1 Cor. 16:1,2; 2 Cor. 9:6,7) to help the needy (Acts 11:27-30) and to support ministers of the gospel (1 Cor. 9:1-14).

In public worship both respect and also supplication may be expressed by scripturally singing (Eph. 5:19; Col. 3:16), praying (1 Tim. 2:12; Eph. 5:20), and observing the communion (1 Cor. 11:23-26). Respect of God is also expressed in preaching (Acts 17:22-31). If our public worship is according to these scriptures, it will be according to John 4:24: (1) to God, (2) in spirit, and, (3) in truth.

Thirty-five members of the PTA plan on attending "Breakfast at Lou's Village" Jan. 7.

Mrs. J. L. Petersen spoke of the advantages of Girl Scouts, and the membership voted to sponsor a group of "Brownies" under the leadership of Mrs. Oliver Jensen.

Mrs. Fuller told of cafeteria management and of meal planning in the school cafeteria.

The What Not shop of Campbell loaned the PTA books suitable for children, which were displayed in the hall.

At the close of the business meeting refreshments were served in the school cafeteria with the tables decorated in the Christmas motif. The mothers and teachers of the sixth grades were hostesses.

KIWANIS CLUB SEES MOVIES

With Budd Levenberg as chairman, members of the Kiwanis Club saw a movie entitled "Keeping in Touch" at their Tuesday luncheon meeting. This was designed to show the interesting process of making printers' ink.

Also on the program were movies of 20 years ago which showed Kiwanis club members and festivities on Old Settlers' Day of 1926. These had been taken by former Kiwanian Hal Morton who showed them to the group.

Guests were Miss Chispa Gwynn, the weekly high school student guest; Jack Engelbrecht, guest of Budd Levenberg; Bert Rudolph of San Jose; Hal Davis of Los Gatos, and Hal Morton of Campbell.

Next week a demonstration of a resuscitator will be given.

MISS BENSON RETURNS FROM LOS ANGELES

Miss Junice Benson returned last week from a brief stay in Los Angeles.

Footlighters Meet

The Footlighters held their last regular meeting of the year Dec. 2 in the Budd Levenberg's rumpus room.

The cast of the play, "I Don't Believe in Christmas", put on the play for the members and the following invited guests: Mr. and Mrs. John Stoner, Mrs. Louise Tordt, Mr. and Mrs. Phil Brancato, Mr. and Mrs. William Ash, Mr. and Mrs. Larry Hill, Miss Barbara Root, Leila Merrit, Mrs. Alma Fanning, and the new honorary member, Mrs. Ida C. Price.

A new three-act play, "Spring Time For Johnny", has been chosen for production early in the new year.

The play, "I Don't Believe in Christmas" is being put on for the following organizations: Orchard Grange, Dec. 10; Legion Auxiliary, Dec. 11; Pocahontas, Dec. 13; Ada Rebekahs, Dec. 17; St. Lucy's, Dec. 21.

"FRONT PAGE" TO HAVE SPECIAL PERFORMANCES

The popularity of the Ben Hecht-Charles MacArthur rough comedy success, "The Front Page" is proved by the fact that it was produced to give special performances at the Curran on Sunday night only, but the public wanted more than just one performance a week and that is why it is now playing every night at the Geary with a matinee on Saturday. The engagement will end, however, on Saturday, Dec. 14, and any further extensions will be impossible as the theater has contracted for the Mexico City Tipica Revue to open on Dec. 15.

All told, "The Front Page" will have played a little over ten weeks in San Francisco which puts it right up with the other ranking comedies of the past five years.

"The Front Page" can boast of a top cast for most of the players have seen newspaper service and as the play is all about newspaperdom, this is an important factor. Heading the cast are Paul Speagle, Barney Gould, Edward Fisher, Ruby Hunter, Bill Gwynn, Edwin MacDonald, Pat Waters, Myna Brunton Hughes, Jack Kaufman, Elizabeth Worthington, Freddie Carter, Robert Ames, Myron Beggs, Jules Landry, Bob Cay, Dick McMoyler, and Charlie Lawrence.

Precious little pipe

... so GAS service to thousands is delayed!

Too often these days we are forced to say... "Sorry, we cannot connect you to gas service this month." We have plenty of GAS for home use, but we just don't have the pipe necessary to connect homes or businesses to the street mains.

Last August manufacturers cut off all pipe deliveries. Despite that we are doing our level best to obtain the pipe we need to serve you. We are buying what War Surplus pipe is available; we are scouring the nation for other pipe, but there is not enough to go around. We want you to know that everything is being done to get pipe and to serve gas wherever it is needed.

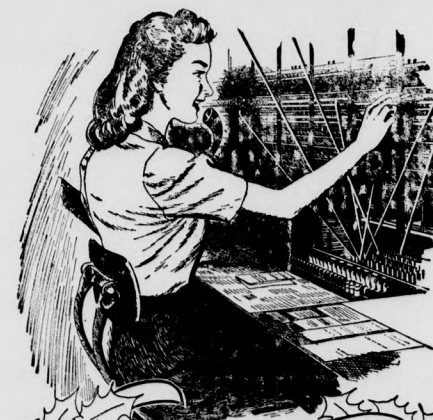

It is the small "home-size" pipe that is so scarce today. 3/4 inch, 1 inch and 1 1/4 inch sizes are used to connect homes to street mains... Today we are getting only one-third of the amount of this pipe we require.

Christmas Choir Festival on Sunday

The adult, carolite and carol choirs of the Methodist Church will join forces for a Christmas Choir Festival on Sunday at 4 p. m. Singing will be under the direction of Mrs. Ruth Stoner, minister of music.

All of the well-known Christmas carols, as well as other less well-known ones, will be sung by the choirs, and Mrs. Evelyn Buck and Mrs. Doris Brainard will sing solos.

The offering received at this service will go for children's choir robes. Each choir sings once a month in the Sunday morning service, presenting the anthem, and all the church choirs participate in the processional hymn each Sunday.

OPA EXTENDS LIFE OF SUGAR STAMPS

An additional 30-day extension of the two home canning stamps for sugar—spares nine and ten—was announced recently by the Office of Price Administration. Due to expire Nov. 30, 1946, both stamps, each good for five pounds, will be valid through Dec. 31, 1946.

Continued transportation difficulties have made it impossible for many housewives, especially those living on the East Coast, to cash in on their home canning sugar stamps. Today's action, it is expected, will permit them to obtain their fair share of sugar, OPA said.

A total of 839 research problems are now under way or just completed by the University of California College of Agriculture, says President Robert G. Sproul.

Redwood City, San Mateo County seat, was incorporated March 27, 1868.
